

# AUSTRALIAN INDIGENOUS PROBLEM GAMBLING INDEX

*(Based on the 9-item Canadian Problem Gambling Index)*

## FOLLOW UP SCREENING MEASURE

Thinking about the past 3 months, please answer the following questions.  
Mark your answers with a circle or cross.

	Never	Some Times	Most of the time	Always
1. Do you ever gamble more than you want to?				
2. Do you need to gamble with more money to keep getting a buzz?				
3. After losing do you return and try to win your money back?				
4. Have you borrowed money or sold things so you can gamble?				
5. Have you felt that you might have a problem with gambling?				
6. Does your gambling stress you out or lead to other health problems?				
7. Have other people complained about your gambling?				
8. Is your gambling causing money problems for you or your mob?				
9. Have you ever felt guilty about your gambling?				

This tool was developed by Flinders University and the study was approved by the Aboriginal Health Research & Ethics Committee (AHREC). For more information on the project please contact Associate Professor Peter Harvey, Director of the Flinders Centre for Gambling Research, on Tel: (08) 8404 2541.

The Office for Problem Gambling endorses the use of the Australian Indigenous Problem Gambling Index (AIPGI) for South Australian Gambling Help Services. The pilot development of the AIPGI was funded through the Gamblers Rehabilitation Fund.
